FJSNAKE Pact Leaflet No. 3/4/53

REFERENCE: DIR-45293 and ROME 5457

1. Attached is a leaflet on the TPROACH-LCFLAKE-INJUNCO Pact which has been approved by RNLUMPIT.

2. The long delay in completing this leaflet can only be explained by the reticence of certain elements within HTNEIGH to look favorably upon such a pact.

3. The KMWAAHOOS share varied opinions re an FJSNAKE union. Some feel it must come into being, and a pact is the first step in this direction. Others feel [] is out to colonize the FJSNAKES and that such a pact will ultimately lead to an FJSNAKE union and result in KMWAAHOOLAND losing her national identity if [] is allowed to play the major role in the formation of such a union.

1 Attachment: (w/trans) (s.c.)
As stated above.

PAKTI TURKO-GREKO-JUGOSLLAV LAJM I MIRE PER SHQIPNINE

Qe te qendrojne ne fuqi, Enver Hoxha dhe klyshet e tij e dine se populli duhet te mbahet ne nje gjendje frike e ne nje gjendje pasigurije. Prandaj mundohen t'i mbushin mendjen popullit se ramja e tyre do te binte me vehte copetimin e Atdheut t'one te dashtun. Ata bajne qmos per te binde gjithe boten se fqinjet e Shqipnise kerkojne te dhunojne kufite t'ona, t'ane ksojne tokat t'ona dhe te shua jne kulturen t'one. Duen te bajne qe populli te besoj se ramja e qeverrise se tyre do t'ishte vdekja e Shqipnise.

Kjo asht nje genjeshter me bisht. Ndodhja e tyre ne fuqi s'i ka sjelle vecse mjerim popullit t'one, dhe asht pengim i vertete qe populli i jone te mund te perfitoje nga paqja.

Ne keto kohet e fundit, o bashkatdhetare, genjeshter e tyre jane shtue edhe ma teper. Ata perpiqen te qvetesojne randesin e paktit turko-greko-jugosllav, duke e kritikue ashpersisht. Ata duen te besoni se ky pakt asht humbja e Shqipnise dhe se qendrimi i tyre ne fuqi asht i vetem shpetim per Atdheun t'one.

Motra dhe vllazen shqiptare! S'ka genjeshter ma te madhe se kjo. Pakti ballkanik i nenshkruem nga Turqija, Greqija dhe Jugosllavia ne Ankara me 28 Shkurt 1953, asht ne

realitet nje garanci ma teper nga ana e fqinjevet Shqipni-
se per te respektue pamvaresin e Shqipnise dhe integritetin
e kufivet t'ona kombetare.

Le t'a shqyrtojme me verrejte dhe me urtesi kete
qeshtje:

- Tre fqinjet t'one, me gjithë mosmarrveshjet e
tyne, e kuptuen ma se fundi se ata duhet te
jone te bash--kuem qe te mund te mprohen nga
nje agresion rus.
- Solidaresija e ketyne tre shteteve u shton
shpresen atyne kombeve fqinj qe ndodhen nen
zgjedhen e kuqe. Tue mbajtur dhe tue mbrojtur
identitetin a tyne vetjak, ata u hapin shteg
miqve te tyne te shtypun per te thye prangat
e skllaverise qe po i mbjne te lidhun, dhe
krijojne nje mburoje kombesh te forte te cilet
mund t'i terheqin me vahte.
- Marrveshjet tregtare ndermjet vendeve ball-
kanike te lire, sjellin perfitime materiale per
te gjith, kondita jetese ma te mira, ma teper uzh-
qim, ma teper pune dhe rivendosjen e shkembimevet
te natyrshem qe kane qene gjithemone ndermjet
ketyne shteteve fqinj.

● Bashkatdhetare, pakti midis Greqise, Turqise dhe Jugosllavise ka pase efekte shume te mira prane udheheqesvet te Perendimit te Lire. Keta pranojne qe ky pakt asht nje prove pozitive se vendet ball- kanike jane bashkue dhe do te bashkohen mikesisht per te mbrojtun identitetin e tyne kombetar qe te mbajne larg skllaveruesit plot ambicje.

Motra e vllazen shqiptare! Mos u mashtroni nga sherbetoret te cilet kane per qellim te vetem t'i sherbejne patronvet te Moskes, dhe t'i zgjatojne jeten pushtetit te tyne. Pakti i mikesise i nenshkruem nga Jugosllavi ja nga Greqija dhe nga Turqija, asht i mire per shqiptaret liridashes. Asht ha- pi i pare kah krijimi i nji atmosfere ne te cilen mund te rivendoset liri ja e Shqipnise.

TURCO-GRECO-JUGO PACT GOOD NEWS FOR ALBANIA

Enver Hoxha and his mob know that to remain in power they must maintain a state of unrest and a feeling of uncertainty among our countrymen. They seek to make you believe that their passing from power would result in a dismemberment of our beloved homeland. They try to make you believe that Albania's neighbors wish to violate our borders, annex our lands, and destroy our civilization. They want you to believe that their government actually stands between Albania's life and death.

This is a ridiculous lie. Enver Hoxha and his gang have never stood between anything except peace and poverty -- the peace Albania wants and the poverty they have given her.

Recently, fellow countrymen, they renewed these old propaganda lies with added vigor. They are now berating the Turco-Greco-Jugo Balkan Friendship Pact. They want you to believe this pact spells Albania's doom unless they remain in power to safeguard the state.

Brother and sister Albanians! Nothing could be further from the truth. The Balkan Pact, signed by Turkey, Greece, and Jugoslavia at Ankara on 28 February, 1953, is, in reality, a further guarantee by Albania's neighbors to

respect Albania's independence and the integrity of her national borders.

Let us look at the matter sensibly:

- Despite any past differences these three signatories have had between themselves, they realize that their real strength in guarding against Moscow's aggression lies in their unity.
- The solidarity of these three nations offers hope to oppressed neighboring states. By defending their own individual identities, they open the way for their oppressed friends to break the chains of slavery that bind them and create a bulwark of strong nations which could be impregnable to outside influences.
- Trade agreements between free Balkan countries hold material benefits for all Balkan peoples.... improved living conditions, more food, increased employment, and the re-development of natural trade markets which have always existed between these close neighbors.
- Fellow countrymen, this pact between Greece, Turkey,

and Jugoslavia has had a very pleasing effect upon Free Western leaders. They accept this pact as positive proof that the Balkan countries can and will unite in friendship to protect their national identities and ward off ambitious enslavers.

Brother and sister Albanians! Do not be fooled by the lackeys who seek only to serve their Moscow masters and perpetuate their own power. The Balkan Friendship Pact signed by Jugoslavia, Turkey, and Greece is good for freedom-loving Albanians. It is a first step toward creating an atmosphere in which Albania's freedom can be re-established.
